

HAITI EARTHQUAKE

January 19th, 2010 - Like many of you, we were deeply saddened following the announcement of the devastating earthquake that ravaged Haiti. We wish to give support to the Haitian population. Therefore, **on our and Cogir's behalf, we will be donating 10,000\$ to the ONE DROP Foundation.**

ONE DROP has the mission to fight poverty by providing access to water and raising awareness among individuals and communities about the need for mobilization in order to make safe water accessible to all, in sufficient quantity, today and tomorrow.

Moreover, be assured that this amount will in no way affect the support we provide to the causes we currently endorse.

We encourage you to follow our example and show solidarity by donating to the foundation of your choice.

Our thoughts are with our many Haitian friends and colleagues; they are going through a very difficult time. To all the distressed families, we hope they will find the courage to get through this hardship.
